

10 good reasons why you should try Kart World!

1. Been to the rest? Now try the best! We have been established since 1989 and are considered to be the most professionally run centre in WA. Our happy, helpful staff are always striving to make your karting experience a memorable one.
2. 5 levels of karts that cater for beginners through to our serious drivers – our top levels out-class every one of our competitors. Every driver (excluding twin karts) will be given an individual printout of the times they achieved on the track. And so every driver gets to feel like a pro, we have overhead monitors on the track so you can keep tabs on your times, and your opponents!
3. Our track is engineered for speed and skill – not for flying into walls! Karting is a serious sport and we have strict safety guidelines to follow.
4. Although we are registered to have an unlimited number of karts out on our track at one time, we keep the maximum at 7 to ensure you a safer, faster and more enjoyable. With no yellow lights interrupting race time you have a greater chance to upgrade to a faster level!
5. We have an air conditioned viewing area and track grandstand to enable you to watch your friends close up. We also have provided videos games and music for your enjoyment.
6. Our lunch bar / café caters birthday parties through to corporate events – no group too big or small with a price list to suit everyone's budget.
7. Our twin karts suit younger passengers so no-one has to miss out on the fun at Kart World.
8. Our fully trained staff encourage and support beginner drivers, and motivate and inspire experienced drivers to achieve their best results.
9. Your safety is our number 1 priority, we have gone above and beyond all regulations and guidelines that govern karting.
10. Special prices, no licence fee and coming soon the VIP members card we all requested by our customers, and we continue to find great ways to improve the overall Go Karting experience here at Kart World.
